## LIVING TRUST QUESTIONNAIRE AND RETAINER AGREEMENT FOR UNMARRIED COUPLES AND DOMESTIC PARTNERS

### DESCRIPTION OF ESTATE PLAN DOCUMENTS AND FUNCTIONARIES

PLEASE READ THIS OVER CAREFULLY BEFORE FILLING OUT A QUESTIONNAIRE. IT WILL HELP YOU UNDERSTAND THE DIFFERENCE BETWEEN A WILL AND A TRUST, FOR EXAMPLE, AND DESCRIBES THE JOBS OF THE PEOPLE YOU WILL BE NOMINATING TO FULFILL CERTAIN FUNCTIONS.

#### A. OUR ESTATE PLANNING PACKAGES CONTAIN THE FOLLOWING:

**WILL** - If you do not have a trust, a Will tells the Probate Court what you want to happen to your assets after you die, and appoints an Executor to carry out those wishes. If you are setting up a trust, you only need a Will to the extent that you may have forgotten to put assets into the trust. Therefore, we draft what is called a "**pour-over**" Will which just means that you want all assets you forgot to put into trust during your lifetime to be put there upon your death. The trust in turn explains what you want to happen to your assets after you die, and appoints a Trustee to carry out those wishes (for this reason, most people appoint the same person to act as Executor and Trustee). If you follow our instructions and transfer your assets into your Trust during your lifetime, then Probate Court is avoided and the "pour-over" Will is primarily a safety feature.

**DECLARATION OF TRUST** (also known as "Living Trust") - A document that protects your assets from Probate Court after your death, and which also gives you unlimited freedom as to the handling of your own assets during your lifetime because you appoint yourself Trustee for your lifetime (or until you become incapacitated). The person who sets up and funds a trust is called a "Settlor"; therefore, during your lifetime, you are both the Settlor and the Trustee. The trust also appoints a Successor Trustee in the event of incapacitation or death of the Settlor (usually

the same person as your Executor, but it doesn't have to be). **The Trustee you nominate will be the person who will be dividing and distributing your assets, or keeping them in trust for your beneficiaries.** We also ask that everyone provide the name of their preferred banking institution in case none of the individuals nominated as Trustees can act (both Wells Fargo and Bank of America provide these services.)

**PLEASE BE AWARE - A TRUST WILL NOT PROTECT YOU FROM PROBATE COURT UNLESS YOU TRANSFER ALL SIGNIFICANT ASSETS (WITH THE EXCEPTION OF ANY TAX-QUALIFIED RETIREMENT PLANS) INTO YOUR TRUST ACCORDING TO OUR INSTRUCTIONS TO YOU.** The TOTAL amount of combined assets "outside" the trust cannot exceed \$150,000 or the estate will have to go to Probate court. You can transfer your assets into your trust by addressing and mailing letters of request to each bank, broker, etc. who handles your funds - we provide the letters in your package when you come in to sign. We also provide a Grant Deed for one piece of real property to be put into trust; more than one piece of real property will require additional Deeds at \$50 each. As you acquire significant assets or real property, transfer them into the trust. Most people do not put their day-to-day personal checking accounts in.

The reason why the trusts are so long and complicated is because, as your own trustee, you need to have very broad powers to do anything you like with your assets, and the nominated Trustee for after your death(s) must have certain powers as well, the enumeration of which takes many pages.

**ADVANCE HEALTH CARE DIRECTIVE** (FORMERLY KNOWN AS "DURABLE POWER OF ATTORNEY FOR HEALTH CARE") - Gives you the opportunity to make your own choices about your health care ahead of time in the event that you are not capable of communicating those desires in the future, and appoints someone to carry them out. It includes a list of options regarding extreme measures that you may or may not want taken. You should mail a copy of the fully signed and notarized document to your appointee and to your doctor. This document also includes a **NOMINATION OF CONSERVATOR, AS FOLLOWS:** If you should ever become totally incapacitated and a danger to yourself or others, it may be necessary for you to have a Conservator to handle both your personal care and your business affairs. This document allows you to appoint someone you trust to do this for you, rather than have the court appoint someone. You may name two different people to handle physical care and financial matters.

**UNIFORM STATUTORY POWER OF ATTORNEY** - If you should become incapacitated (i.e.: an operation, an accident) and need someone to handle non-trust business affairs for you, this document officially allows the person you name as your "attorney-in-fact" to sign checks, etc., during your incapacitation.

**GRANT DEED** - Transfers real property into trust.

**ASSIGNMENT** - Transfers business interests and/or debts owed to you into the trust.

**B. DESCRIPTION OF ESTATE PLANNING FUNCTIONARIES**

YOU ARE ASKED TO NOMINATE PERSONS TO ACT AS THE FOLLOWING "FUNCTIONARIES" OF YOUR ESTATE PLAN. YOU MAY NAME THE SAME PERSON OR PERSONS FOR MANY FUNCTIONS IF YOU LIKE.

1. **Executor of your Will** - *The person(s) you name MUST be US Citizen(s).* You are drawing up a "pour-over" Will, which, very simply put, means: "I give everything to my trust"; the trust, in turn, says how your assets are to be divided after your death. Most people nominate the same person for Executor and Trustee, since the Trustee is actually the one making the distributions. If a trust is properly funded according to our instructions to you, the Will probably will never have to be used.
2. **Trustee of the Trust.** *The person(s) you name MUST be a US Citizen(s).* During your lifetime the Trustee is you. You will be naming someone to administer the trust and distribute its assets, as you have directed, after your death. That same person may have to take over your financial affairs during your lifetime if you become permanently unable to do so.
3. **Health Care Agent** *(nominated in your Advance Health Care Directive).* This attorney-in-fact makes medical decisions according to your wishes in case you are not able to communicate those wishes to medical personnel.
4. **Conservator** *(nominated in your Advance Health Care Directive).* This person or persons would handle all of your personal and financial affairs in extreme cases (eg: severe dementia) if the Court finds you incapable of handling them yourself.
5. **Attorney-in-Fact Under your Uniform Statutory Power of Attorney.** The person you name as this attorney-in-fact can take care of any financial affairs outside the trust - day-to-day banking and bill paying, for example - if you become incapacitated for any substantial period of time (e.g.: a lengthy hospital stay).

### III. RETAINER AGREEMENT AND FEE CONTRACT

This document (the "agreement") is the written fee contract that California law requires lawyers to have with their clients. We, the Law Offices of Ross McLauran Madden, will provide legal services to you, \_\_\_\_\_, on the terms set forth below.

**1. CONDITIONS.** This agreement will not take effect, and we will have no obligation to provide legal services, until you return a signed copy of this agreement and pay the initial deposit called for under Paragraph 4.

**2. SCOPE OF SERVICES.** You are hiring us as your attorneys, to prepare the following type of services/agreement:

Estate Plan for Unmarried Couple or Domestic Partners -

Attorney's services will not include litigation of any kind, whether in court, in administrative hearings or before government agencies or arbitration tribunals. Attorney shall take reasonable steps to keep Client informed of progress and to respond to Client's inquiries.

**3. CLIENT'S DUTIES.** You agree to be truthful with us, to cooperate, to keep us informed of developments, to abide by this agreement, to pay our bills on time and to keep us advised of your address, telephone number and whereabouts.

**4. FIXED FEE/DEPOSIT/PAYMENT.** Client agrees to pay a fixed fee of \$\_\_\_\_\_ for Attorney's services under this Contract (said fee includes fees of \$175 per Grant Deed for more than one in-state Deed, and \$275 for any out-of-state Deeds). **The fixed fee is payable one-half (\$\_\_\_\_\_ ) upon execution hereof, and one-half upon the earlier of a) the completion/execution of the service/agreement contracted for in Paragraph 2, above, or b) 30 days after our office has sent you a draft of the said documents contracted for, whether the documents have been completed by you or not. PLEASE BE ADVISED THAT PAYMENT OF THE SECOND HALF OF THE FEE WHEN DOCUMENTS HAVE NOT YET BEEN SIGNED BY YOU AND NOTARIZED WHERE NECESSARY DOES NOT PROVIDE YOU WITH AN ACTIVE TRUST AND ITS INHERENT PROTECTIONS; YOU MUST PROPERLY EXECUTE THE DOCUMENTS IN ORDER FOR THE TRUST TO BE COMPLETE.** Attorneys shall have no obligation whatsoever to provide services to Client until the one-half deposit is paid. Attorneys reserve the right to send clients to Collections if they fail to meet the payment obligations stated in this paragraph, in which case any collection fees/percentages would be added to the amount due. Unless the fee retained would be unconscionable and except as provided in paragraph 7, the fixed fee will be earned in full and no portion of it will be refunded once any substantial services have been performed.

**5. COSTS AND EXPENSES.** In addition to the fixed fee, Client shall reimburse Attorney for extra copies of the Estate Plan (other than the original provided at the time of signing) at the rate of \$0.25 per page, and for recording fees for all Deeds prepared by Attorney.

**6. STATEMENTS.** Attorney shall send Client periodic statements letting client know the balance due for the Estate Plan. Client shall pay Attorney's statements according to Paragraph 4, above. Client may request a statement at

intervals of no less than 30 days. Upon Client's request Attorney will provide a statement within 10 days.

**7. DISCHARGE AND WITHDRAWAL.** Client may discharge Attorney at any time. Attorney may withdraw with Client's consent or for good cause. Good cause includes Client's breach of this Contract, Client's refusal to cooperate with Attorney or to follow Attorney's advice on a material matter or any other fact or circumstance that would render Attorney's continuing representation unlawful or unethical. If Attorney withdraws before completing Attorney's duties under this Contract, Client may be entitled to a refund of some or all of the fixed fee, depending on the facts and circumstances.

**8. CONCLUSION OF SERVICES.** When Attorney's services conclude, all unpaid charges shall immediately become due and payable. After Attorney's services conclude, Attorney will, upon Client's request, deliver Client's file to Client, along with any Client funds or property in Attorney's possession.

**9. POTENTIAL CONFLICTS OF INTEREST.** In the event that "Client" is a couple or other group of persons or entities, they acknowledge by the signing hereof that they have been informed by Attorney that:

- a) their interests in the matter giving rise to the service/agreement specified in Paragraph 2, above, may potentially diverge in the future;
- b) that such divergence may result in a conflict or conflicts between the said persons;
- c) that under Rule of Professional Conduct 3-310 (C) as promulgated by the State Bar of California, Attorney shall not enter into this contract without getting the informed written consent of each person comprising Client that such potential for future conflict exists, and that as a result Attorney may be representing persons with adverse interests.

By signing hereto, each person comprising Client acknowledges that they hereby give their informed written consent to Attorney in spite of such potential conflict of interest.

**10. EFFECTIVE DATE.** This Contract will take effect when Client has performed the conditions stated in paragraph 1, but its effective date will be retroactive to the date Attorney first provided services. The date at the beginning of this Contract is for reference only. Even if this Contract does not take effect, Client will be obligated to pay Attorney the reasonable value of any services Attorney may have performed for Client.
